Margam Evans is delighted to announce that a new edition of the classic swashbuckling game is now in print.

- 100-page booklet
- full colour card cover
- black and white internal illustrations
- pull-out reference tables
- sample character sheet
- 8¼" x 11" (fits US and European sizes)

**En Garde!** is already available in games shops now (and from Amazon): ISBN 0-9551623-0-0.

- £10.00 recommended retail price in the UK
- \$18.00 suggested retail price in the USA

**En Garde!** is one of the original role-playing games – it was first published (by GDW) in 1975. The last edition was published in 1988, but now it's back.

The new edition has been re-formatted, but is essentially the same as the 1988 edition (from SFC Press). The game hasn't changed at all – which will please its many fans.

This edition of **En Garde!** allows a whole new generation of gamers to discover the delights of swashbuckling in seventeenth century Paris.

The new **En Garde!** website is at [www.engarde.co.uk](http://www.engarde.co.uk)
